THE WORLD AT LARGE.

Summary of the Daily News.

CONGRESS. THE Senate on the 30th further considbred the Sundry Civil bill. An amendment ofadopted. An amendment appropriating \$75,000 HENRY C. GILMORE, lessee of the Grand the incompatibility of olders unnough the for a public building at Atchison, Kan., was un. Hotel, Cincinnati, is financially embarder consideration when the Senate adjourned. After disposing of several motions and com-

mittee reports the House went into Committee of the Whole on the Deficiency bill, and when mittee rosq the House adjourned. In the Senate on the Sist Mr. Frye reported the Union Pacific Funding bill (the House Outnwaite bill). The committee's report was unanimous. After other reports, the Sprints resumed consideration of the Sundry Civil bill. The amendment appropriating \$75,000 for a public building at Atchison, Kan. was rejected. Pending consideration of the bill the Senate adjourned In the House, after the usual routine, the Army Appropria-

tion bill was taken up in Committee of the Whole and considered until adjournment. In the Senate on August 1 the bill to create the Department of Agriculture was favorably reported from committee. It is the House bill for making the agricultural bureau an executive department. A number of bills passed and the Sundry Civil bill was taken up, which after further cons deration was finally passed, and soon after the Senate adjourned ... Soon after meeting the House went into Committee of the Whole on the Senate amendments to the

AFTER disposing of unimportand business the Senate on the 2d resumed consideration of the Fisheries treaty, and Senator Rid dieberger spoke in opposition and Senator Morgan supported the treaty. -GUILFORD MILLER CASE.

WASHINGTON, Ang. 3 .- Secretary Vilas yesterday rendered a decision in the celebrated case of the Northern Pacific Railing a small ladder, which they stretched has been pending in the Department of the Interior for more than two years. The decision places Miller's claim upon a solid legal ground, and not upon any equitable ladder. She cried back that she could not that the homestead entry shall remain inleave her two children. Norman tried to tact. Miller will, of course, be obliged to cross over on the ladder, but the flames prove up, as between him and the United States, and show his continued homestead residence and cultivation, and if the rail- master. road company makes any further conbuilding. Three men, however, availed test it must be in the courts. The opinthemselves of the ladder and escaped to the lon is decisive as to the claims in the Interior Department. It is understood that there are about 2,000 cases in the General the flames so that they could enter the Land-office awaiting the determination of bodies of a man, a woman and a boy. On Miller claimed that he settled upon the badly burned that it was impossible to tell of Wyoming Territory, in 1878, and after- ger. whether they were those of men or ward, in 1884, he made a homestead entry omen. On the fifth floor no bodies were of it. The land lies within the indemnity were found, and they also were burned so miles distant on the definitely located and constructed road of the Northern Pacific
